

Sophia's on Market

July 2010

Dear Friends, Family and Business Associates:

I have committed to raise \$10,000 for The Leukemia & Lymphoma Society's (LLS) Light the Night Walk fundraising campaign and am looking for your support.

Light the Night is LLS's nationwide evening fundraising walk to celebrate and commemorate lives touched by cancer. Participants walk along a two-mile route carrying illuminated balloons- white for survivors, red for supports, and gold for teams walking in memory of someone.

Last year I was first introduced to LLS and their cause by participating in the Man & Woman of the Year campaign. I continue to support this worthwhile organization, because I have seen first hand how they have made a difference in so many lives. I was blessed to have the generous support of my family, friends, co-workers and colleagues last year and I ask for your support again as I try to raise a few more dollars for LLS. I'm not asking you to give a lot, but simply join me at my fundraising event or purchase a "balloon" for a \$1 donation. Every little bit helps.

Cookout for the Cure

benefiting the Leukemia & Lymphoma Society's Light the Night Walk

Monday, August 9, 2010 5:00 – 8:00 p.m.

Cost: \$25/per person

(with at least 75% of the proceeds going to LLS)

We will be serving a typical cookout menu and will be conducting a variety of games and contests for prizes. We will hold a raffle or two. We will have a lemonade stand and beer garden. We will be having a bake sale. There will be live entertainment. 100% of the proceeds from the beverage sales and the bake sale will go to LLS.

In other words, we are having a good ol' fashioned neighborhood block party & we want you to join us!

If you cannot attend the ***Cookout for the Cure***, can I count on you to purchase a balloon or two, or maybe you could donate a raffle item or game/door prize or maybe you are a closet baker and would like to contribute something for our bake sale. Any support is greatly appreciated.

Sincerely,

Sophia Nelms
